

Child-Care Costs

At Children's Learning Tree Nursery, we provide a safe, nurturing, and stimulating environment for children to learn, play, and grow. Our experienced staff deliver high-quality early education and childcare tailored to each child's needs. We offer a variety of sessions, including government-funded free entitlement hours, optional additional hours, and extra services such as breakfast club, wraparound care, and special outings.

We are committed to supporting families and ensuring that every child has the best possible start in their early years.

Alternatively, families eligible for 30 hours of free entitlement can attend from 9:00–15:00, Monday to Friday. We aim to be flexible with these hours where possible, depending on availability.
